**Mr. Jacques Colliard**

*Director of Security Centre, International Union of Railways, Paris, France*

Jacques Colliard graduated in economics and statistics, with diplomas from French Universities of Paris I and Paris VI, and of the French National Institute of Economic and Statistical information. He joined the SNCF in 1976. From 1995 to 2003 he became the deputy director of security. He was a member of French minister's staffs in social topics, in police, in transportation, and in urban policy. As the manager of the security centre of competence in International Union of Railways (Paris) since March 2003, he is registered as expert by various international organizations (European Commission, OSCE, UNECE, IWGLTS....)
